Re: Application of FRC, LLC for a Certificate of Public Convenience and Necessity to Provide Local Exchange and Exchange Access Services throughout the State of South Carolina and Request for Flexible Regulation
Docket No.: 2008-49-C

Dear Mr. Terreni:

Please allow this correspondence to serve as notification that the South Carolina Office of Regulatory Staff ("ORS") does not oppose the request of FRC, LLC ("FRC") to provide local exchange and exchange access services in South Carolina, the request for flexible regulation or the request for expedited review of this matter. FRC currently holds a Certificate of Public Convenience and Necessity to provide intrastate telecommunications services as a carrier's carrier. ORS has reviewed the application, and FRC sufficiently addressed the concerns of ORS. ORS made recommendations to FRC regarding its tariff and those recommendations are being incorporated. ORS will notify the Commission once the tariff revisions are complete.

Thank you for your consideration in this matter.

Sincerely,

Shannon Bowyer Hudson
